... and more!

Congratulations on being a part of the Yacht Club family for another year. This is sure to be a memorable one. This marks my 6th year on the Yacht Club Board of Directors, serving as Junior Director, Secretary, a two year term as Membership Chairman, Rear Commodore, Vice-Commodore, and now your Commodore. It has been an absolute privilege and honor to be a part of the Club leadership team. Between all my previous on the job training and the "friendly advice" that makes it my way... I am ready!

A special thank you to the hard working and talented people I have served with at the Board and Committee level, in particular the outgoing 2011- 2012 Board of Directors, along with Past Commodores Fredrick, Baker, McClash, Ross, Blenker and Shaurette. These leaders, and those before them, dating back to 1946 with first commodore Jack Fleming and his team, have worked tirelessly towards making this 6 acre piece of paradise an enjoyable and sustainable experience for all of us, for years to come.

Last month at the Change of Watch it was a pleasure to make history with my wife Brittany and the Great Mates Board with the first ever dual installation of Yacht Club Board Directors and Great Mates Board of Directors. The 2012-2013 Yacht Club Board is eager to hear your feedback, roll-up their sleeves, and work harmoniously with management to solve all challenges.

Many of you have asked what my plans are for the future year of the club. The following are some personal areas of focus:

"If you see me at the club, please introduce yourself. Many of us cross paths often, but haven't met formally. The next time we see each other seems like the perfect time for it."

☆☆☆ **COMMODORE EVAN GUIDO 2012-2013**

- We are on firm financial ground and I plan to continue to make sound financial decisions and leave the club in a stronger position than where we entered the year, which includes repairs and maintenance, being mindful of membership satisfaction. Slashing expenses or raising costs is the easy part, making thoughtful financial decisions that don't impact our mission to make the BYC your "go to" place for entertainment and all water based activities without passing on costs to the members, is a bit more delicate.

- Membership involvement will be a high area of focus which will help your Club on many levels and greatly enrich your membership experience. My suggestion is to pick a committee and ask how you can participate in a certain event, party, or behind the scenes project - not a full year commitment, but a few hours that fit into your schedule. You will be surprised at what you gain personally from a quick phone call or e-mail to one of our committee chairs. They are waiting to hear from you. Membership involvement may single handedly increase retention, event attendance, and keep your club costs down for everyone. Try it and see...

- WOW events are on the horizon as well. We have very motivated and creative volunteers working with the

management team to make this happen for you. Entertainment wants to give you more than you expect every time you reserve a table at the Yacht Club! Don't be surprised by numerous 150+ attended events on the calendar ahead so make your reservations early.

I know many of you... but not all of you. Many of us have crossed paths without formally meeting. The next time we see each other seems like the perfect time to break the ice. If you see me at the club please introduce yourself. You will find that I am very accessible and I look forward to your input. I am easily reached at:
eguido@rwbaird.com
or (941) 313-0875
Both are listed in our directory.

I would like to say thank you to my wife Brittany for standing by me on this journey. We have literally expanded the Guido family while in the ranks of the Yacht Club and truly feel blessed to have the BYC family as an extension of our own. Brittany has my full support as she embarks on her own BYC path as incoming Great Mates President with an outstanding group of ladies standing alongside her. We are looking forward to our life at the BYC this year.

See you around the club! -Evan

As I assemble this article, the days are getting longer, the temperature is rising the humidity has returned... I think summer has definitely arrived. July marks a new beginning at the BYC, the beginning of a new fiscal year, the beginning of Commodore Evan Guido's term in office, and as I stated before, the beginning of another long hot summer! I want to personally welcome all of the new Board Members and Committee Members to our great group of BYC Volunteers. Serving in this capacity is rewarding, and I look forward to working with you all, to help steer the BYC to another great year!

As we start the new fiscal year, so too starts the new membership year. We will be sending out your new 2012-2013 Membership Cards, please replace your outdated card when you get your new one. As we do every year, we will be stepping up checking membership cards the first couple of months of the new year. Don't forget to get your Dependent Cards too, let us know if you want cards for your children, as outlined in the Club's Rules & Regulations. It is this time too, that we say goodbye to some members who, for one reason or another find it necessary to leave the Club. To you all say, thank you for your participation, I hope our individual bearings bring us together again in the future!

As all of you know we have not raised dues this year. The Finance Committee

and our Administrative Team worked very hard to find areas where we could make some needed expense cuts to assure that we would not need to raise dues, as a result, I have heard some constructive comments about the changes. No one likes change, and we do not change anything for changes sake, but with the cost of doing business constantly rising, in order to not raise dues, we have curtailed some of our amenities to stay in the black! While there have been many behind the scenes cuts made, two noticeable areas of change are to the Lunch Buffet and Friday night entertainment.

Our Lunch Buffet has gone away for the summer, and while a little inconvenient for the member who likes to serve themselves, we offer most of the same offerings for the same price on the lunch menu. We have typically offered entertainment in the lounge on most Friday nights, and for the most part this has been well received by the membership. Unfortunately, some of your favorite bands have recently raised their prices a little, and in an effort to provide quality entertainment with big bang value, and to help keep the dues in check, we are switching to a "First Friday" format. We will now only have live entertainment in the lounge on the First Friday of the month, but we are pumping it up with buy one get one drinks and complimentary appetizers!

I apologize to those who we have inconvenienced with these and other changes we have made.

Your Board thought it better to make these changes than to raise everyone's dues.

The great entertainment news, is that there is a dynamic group of members helping us put together some fresh, diverse events that will appeal to broad range of people. We hope to really entertain you with events throughout the year, like we have never had here before! If you have any ideas of events you would like to see, don't hesitate to let me know, I will do what I can to get it into the mix!

A reminder about our Long Wall reservations as we head into our busy boating season... Last year the Basin Committee amended our Long Wall Reservation Rules to reflect a cancellation policy. Boaters who do not cancel their Long Wall reservation/reservations within 48 hours of their designated arrive date, will be charged for all of the nights reserved, even the first night which is typically free. This is an effort to provide everyone the opportunity to book reservations in a timely manner on our long wall. Again, we understand that stuff happens, and this is in no way is intended to penalize people for that, but in order to provide for everyone, and take the heat away from the Dockmaster, all members, FCYC, and ACYC Members will be treated the same in this instance.

To all of our members who continue to enjoy the BYC, I say thank you. We, the management team and staff are here to serve you, and I appreciate your ongoing confidence and your continued support of the Club. *God Bless, see you around the Clubhouse!*

FLEET CAPTAIN SAIL

On May 16th seven BYC sailboats competed in the Bone Island Regatta race to Key West. This year for the first time the race had enough boats to have a Tampa Bay start in addition to the traditional start in Sarasota. Four boats raced in Spinnaker class, (*Mischief, Windcaller, Special K* and *Crescendo*) and three boats raced in True Cruisers class, (*Seraphim, Marianna* and *Fog Ducker*). *Crescendo* was the only Tampa Bay starter to finish the race since conditions were light and often on the nose. Most boats turned on the engines before the afternoon, *Special K* holding out until sunset Thursday and *Windcaller* around 3AM Friday. *Windcaller* crew member, Ryan McClash, caught a King Mackerel on the way down and had it for dinner and lunch the next day. While at Key West *Windcaller* sailed out to Sand Key and snorkeled.

Windcaller raced back in the Key West to Naples Race. After a great start,

Windcaller averaged seven knots until 4PM when light winds came and stayed. They started the engine about dinner time and got to Naples at 8AM. Casey and PC Joe McClash brought the boat back from Naples stopping at Cabbage Key, taking the swash channel out of Boca Grande and a stop-over at Sarasota Yacht Club.

After winning their class in the Bone Island race, *Crescendo* cruised to the Dry Tortugas then sailed to Marco Island and to Fort Myers

Beach. *Crescendo* then met up with *Windcaller* as they

were cruising back from Naples and anchored at Useppa, then sailing on to Venice, then home (approximately 475 miles including race and cruise). In spite of the light winds the trip was a great

time for all. Special thanks to Jeff Walden and PC Joe McClash for supplying the information and photos for this article.

Our River Races continue throughout the summer, 6:30 on Thursdays. Mark your calendar for September

20, Commodores at the Helm Race and Kick-Off Regatta September 22-23.

SAIL CRUISING FLEET

Early June began with all our cruisers and racers having returned safely to BYC. We had a great dinner the first week of June, catching up with pictures and sailing yarns. Next on June 15th-17th, six vessels sailed north to the Treasure Island Yacht Club. We welcomed a new vessel to the BYC Sail

Sailors enjoy dining during June cruise to Treasure Island

Cruising Fleet, *Escondidas*, Frank & Diana Wendt's Bristol 43. She was joined by *French Kiss*, *Orion*, *Sea Ya*, *Mother Ocean* and *Swamp Rabbit*. The weather was light but enabled us to sail

as we crossed lower Tampa Bay in a Northwesterly direction, across the ship channel and north along the Pinellas coast to John's Pass. While at "The Club TI", Les Lathrup took care of our slip needs and assisted us with coffee and our potluck breakfast staging area.

We enjoyed cocktails aboard *Escondidas* on Friday night before shuttling to the nearby Pearl Restaurant. Dinner entrees were quite good with great presentations. A nice J. Lohr Hilltop Cabernet from Paso Robles, CA. made it to our table. This is a small Mediterranean/Moroccan themed restaurant on the TI Causeway opposite the Clock Tower.

Saturday's potluck breakfast was made great by a number of tasty contributions. Several cruisers spent the afternoon enjoying both the pool and cabana bar and others took in John's Pass Village, known for shopping and a number of nautical watering holes to

quench your salty thirst. Saturday night cocktails were hosted aboard *Orion*

before walking ashore for a great meal at the Treasure Island Yacht Club's restaurant followed by a show in the 3rd floor performing ballroom. *The Family Stone Band* is still making the rounds albeit without Sly Stone these days. It was fun to hear the familiar funk and soul oldies like, "Hot Fun in the Summer Time" and "Dance to the Music".

Sunday morning came all too quickly and we made way for BYC retracing our offshore route sailing out of John's Pass with knot meters often above seven knots... a great day with ENE winds 12-14.

Next we are taking a short cruise the afternoon of July 20th to take in a Rays Baseball game on Saturday the 21st. We'll be staying at the St Pete Yacht Club. Next month we are "Cruising to Nowhere", with a Sail Cruise Fleet weekend at our own BYC, August 17-19. The wall will be reserved so plan to bring your sailboat and stay aboard for the weekend. Please let Brent or me know of your boating plans. Note: No Sail Cruisers Dinner this month, next dinner Wednesday, August 1st 6:30pm.

Enjoy the 4th of July, and celebrate the USA's birthday! Bon Voyage.

FLEET CAPTAIN SPORT FISHING

My name is Rob Yarish and I have the honor of serving as Fleet Captain Sport Fishing next year. My daughter, Oceana Grace, and I are new members and have greatly appreciated our experiences with the club this past year. I will do my best to continue the great work of all the Fleet Captains before me.

I would like to say a big thank you to Mike Reeves who for three years has been an advocate for all water-based activities. We will continue the series of fishing clinics with classes on fly fishing, rigging, and kayaking to name a few. We now have the BYC digital catch board with photos displayed in the bar area. Mike has graced these pages with literary genius! Bad news... his eager replacement is none less than a landscaper who does not spell real good. But my Grandfather always

taught me to look for the shiny penny, so the good news... I share Mike's true passion for the sport fishing world and am committed to the continued growth and respectable representation our

Taylor Chadsey III and his father Taylor Chadsey II, end their day on the water with a beautiful catch of grouper and snapper.

club provides to the community. Thankfully, Captain Reeves will be close by to offer his support as he is serving

as Vice Commodore! Congratulations and thank you Mike, I look forward to a trip offshore with you one day soon!

As most of you are aware, in May the club celebrated its 29th Crosthwait Tournament! This year was my first year working with the committee and I cannot express how impressive it was to experience the organization, dedication, and commitment from the Directors and committee. It is truly special to see a group of passionate people come together and pull off a tournament of this size with such grace and precision. Jeff Stephenson was a true leader and should be congratulated for his leadership role. The tournament again provided scholarships for local high school students. Whether bass, bluegill, snook, redfish or blue marlin, whatever you're fancy, we can all take a great deal of pride in this.

We are continuing the quest to develop a Fishing Fleet Committee. We would meet quarterly to discuss upcoming events and continue to develop unique programs and experiences for membership. If you have any interest, please contact me by email at rob@bloomingslandscape.com. I look forward to meeting each of you in the near future and I wish those that share the passion "tight lines."

BYC members Doc & Linda Craig live onboard "Harvest Moon" with Halle, their Jack Russell at Riviera Dunes. Whenever they dock along the BYC wall, Hally can hardly control her excitement until Mom gets her off the boat for a walk. Outfitted in the latest doggy life jacket, she heads straight to the boat ramp and dives in. So before you back up to unload your boat, take another look and make sure Halle hasn't beaten you to it.

ENTERTAINMENT

The summer heat is sizzling and so is your new Entertainment Committee. This year's group is turning up the heat with new ideas and keeping you busy with a few of the old favorites.

We end our first year with our International Dinners at home in the USA. Congratulations to Beth and Pete Ray for being the winners of the most travelled couple. The Rays attended all of the dinners and celebrated with a wine dinner for four. So, get ready to pack your bags and watch the calendar to see where we will be going next year.

On Saturday, August 25th the Western party kicks off our new year of events as we line dance the night away with JoDell and the Big Mountain Road Band. The line dancing lesson will be on Thursday, August 23rd at 6:30. Once again the lesson will be \$5 but you will receive a \$5 credit if you attend the event.

I am giving you a heads up about an event that will be coming in September. The BYC is bringing you a WOW family

event. On September 15th the Del Couch Children's Foundation is teaming up with the BYC to bring you entertainment by some of the most talented kids ever. A portion of this event will be tax deductible as the money is going towards their continued artistic education. Many of these kids have been coached by Rick Derringer, Jeff Cook, Founder of the group Alabama, and Marty Balin, of Jefferson Airplane/Starship. The evening will end with some dance music provided by Shaman. All in all this will be an evening to attend. Make your reservations early. The event is KOOL KIDS & KULTURE.

Enjoy the summer and don't forget about our first Friday of the month. Bar music, drink specials and appetizers. See you on July 6th with SoulRCoaster. Enjoy your summer!

After the Tapas elimination round, our judges selected their top five choices and the game was on! This inaugural event was open to the public and played out to a packed house with 93 in attendance!

With rudimentary kitchens, a stocked pantry, 2 ½ lbs. chunks of Black Angus Ribeye donated by Sweetbay and talent, our chef's stepped up to complete creative and tasty entrée's in just 30 minutes. Dave Shiplett, Owner/Chef of SoMa ultimately was chosen as the Hot Chef Under Fire after preparing a perfectly grilled steak accompanied by a bacon, gorgonzola & tomato salad.

Bryan Pope and Summer Smith-Pope have been BYC members since 2006. Weekends will likely find the family dining by the pool, chatting with friends and swimming with their two children, 5-year old son, Camden, and 2-year old daughter, Campbell. Bryan and Summer also enjoy attending evening and weekend events for special date nights. They will celebrate 11-years of marriage in August.

Summer, a reporter/anchor for Bay News 9, was born and raised in Manatee County. She served as Club Secretary last year and Junior Director prior to that. Summer created an excellent promotional video for the Club. You can see it online at the BYC web site, *Tour the BYC*, under About Us. Bryan is from Fort Walton Beach and is a computer programmer for Rental Network Software in Bradenton.

Summer's parents were members and she has fond memories of the Club growing up. Bryan and Summer are hoping they are creating great memories for their children here as well. If you see them around the club, please be sure to say hello.

EDITOR'S NOTE: Many thanks to Summer and her beautiful family who posed for the cover shot featuring the BYC pool. Don't forget, send in your club or water activities hi-res images. Your photo might get selected as the next cover.
