From The Helm

Not to belabor the approval of the Kitchen Plan, but the margin of approval was stunning in my opinion. We voted 269 to 4 to approve a huge expenditure of nearly \$1-million.

George Gordon said that "this is unheard of in club circles." Thank you all. Great example of BYC's Club cohesiveness.

Just a little Kitchen Project update, we are about to sign the main construction contract with Clay Johnson, a club member and contractor. With that and final drawings, we begin the permitting process. In a separate budget, we are seeking landscaping designs and quotes for redoing all the landscaping in the front of the building – much needed. We expect to have a whole new look after the construction and re-landscaping.

In late Feb, the Nominating Committee began to interview candidates for the 12 Board and Officer positions which are up for election. If you are interested and haven't been contacted, please send a resume to me ASAP. Nominations will be announced on 3/22 in the Annual Meeting Notice letter. The Annual Meeting will be 60 days later, on May 22. All positions, except for three 2-year director's seats (Entertainment, Membership, Communications), are open.

The Great Mates Gala will take place on March 3. Hope everyone will try to make it and pick up some great items at the silent and open auctions. The Gala proceeds fund scholarships for local students and employees plus giving to Manatee Children's Services. Much of your contributions are tax deductible as Great Mates is a 501(c)3 charity. – Jack

With uncannily spot-on vocals and pinpoint musicianship, their set brings tracks by The Beatles, The Rolling Stones, Jethro Tull, Neil Young, Cat Stevens and many more. Travel back in time at a concert celebration of some of the greatest music ever recorded, where "Sam" refers to America's Uncle Sam, and "Jack" refers to Union Jack AKA the flag of the United Kingdom.

Anchor Watch

"Anchor Watch" is defined as Crewmen assigned to keep watch over the ship while at anchor. We are a subcommittee of Membership on duty to watch over our members. We want you to know each of you is important to our Club family. Around Your Club

Now that the kitchen has been approved, the staff is working hard on special menus, buffets and new ideas to make a seamless transition from the old kitchen to the temporary kitchen then to the new kitchen. Rest assured that we will be working hard to exceed your expectations during our construction period from May-August.

Our February events were a huge success. The Super Bowl party brought over 100 in attendance. Our 2nd Name That Tune event was another great hit. With all the young families we are attracting, we introduced Kid's Crafts & Movie Night. This will be the 2nd Friday of every month. We held our first one on February 9th and it was a big success! We had over 20 kids

working on crafts and outside on the pool deck watching a featured movie. Our annual Kid's Easter Party and Egg Hunt will be on the 31st, so please be sure to sign up ASAP.

Some dates to remember for the month are: the BYC Chili Dog Day which is an all you can eat buffet now happening every Saturday from 11:30am-2pm; the Entertainment Committee will be hosting "Breeze", a revival band who excels in the British Invasion and America's answer to the music of the 60's & 70's on the 24th. This will be a sold-out event so please make your reservation ASAP!

See You Around the Club. – George

Entertainment

Wow! One minute it is the holidays and already we are looking at St. Patrick's Day!!! The year is definitely rolling along! We are all excited about getting started on our new kitchen and how much that is going to make all the events at the club run so much smoother for the members and staff as well! Moving into March, I hope you are all looking forward to our big event coming on March 24th! I spoke about it in the Feb Poop Deck, but if you did not happen to read it, I will remind you that it is the group "Sam & Jack", aka Breeze. They are "Uncle Sam & Union Jack" and will be bringing all the iconic songs from the British Invasion & the great Rock Bands from the USA to the BYC!! I really cannot wait to see them perform & I hope you all can't either! It will truly be a blast from the past and bring back so many fond memories, I am sure. So, please make your reservations early as I know it will sell out and don't want you to miss it!

The year is off to a great start and the Entertainment Committee is working on some new ideas to bring to you & hopefully everyone will find something that they will enjoy! Don't forget, your ideas are always welcome, so please reach out to me if there is something you would really like to have us bring to the club!! Hope to see you soon around the club! – Janie

Great Mates

The Great Mates Board of Directors and Gala Committee have been working hard since August 2017 and we are just days away from our evening of raising funds for Manatee Children's Services and for Scholarships for Manatee County high school students and BYC student employees. Our Gala, **Sail Away to New Orleans, on March 3, 2018 at 6pm at BYC** promises to be fun and a wonderful success!

We invite you to join us at our April 19, 2018 6pm – 8pm dinner meeting. We are calling this a “Double Header”! First, BYC Chef Gary Smith will start our evening by creating before us a few of his signature appetizers. Plus, we get to sample his creation! Next, we discover how just a half hour a week can impact a young person's life. Dr. Robert Enberg, BYC member and Long-Range Planning Chairman, will share the amazing volunteer journey he has been on for the past

six years. Many of our student scholarship applicants have been “Take Stock in Students” recipients. Watch for information in the BYC lobby and call or e-mail the BYC receptionist to make a dinner reservation for April.

We will award our winning students their scholarships and present our 2018 selected charity, Manatee Children's Services, with the proceeds from our fundraising efforts on May 10, 2018 at the Annual Great Mates Members Meeting. The May 10th meeting is also the member's opportunity to vote for the 2018-2019 Great Mates Board of Directors. I urge you to attend this meeting as we get to meet and mingle with recipients of our 2017-2018 fundraising and to welcome our new board. Watch for more information sent electronically and call early for reservations.

As a reminder, our **Mission Statement**: “The Great Mates: is a 501c3 organization whose mission is to enrich the lives of our members, the yachting community and the community at large by supporting charitable organizations, awarding scholarships and sponsoring events of general interest.”

MEMBERSHIP OF THE GREAT MATES

AMBER KRAUS

Junior Membership

The Bradenton Yacht Club has given me and my family some amazing memories these last 5+ years! We've met some of the sweetest new friends and families and I know these are friendships that will last a lifetime! Friday Nights are TIKI Nights with our friends and the last few Friday's we've gotten to sit and watch the dolphins perform for us in the river while we enjoyed dinner. They even came right up to us at the seawall and the kids were in HEAVEN!!! It really feels like home when we spend time at the BYC. Everyone knows everyone! The staff is so sweet and loving towards Parker and Charlotte and we will be forever grateful for them! We had an amazing Christmas Season at the Club. Brunch with Santa was so much fun and a few of us mother's got all the kids matching outfits! Harbor Lights is always so much fun as well, with all the yummy food and drinks and entertaining! Joining the Board in 2017 has been such an awesome experience. I've gotten the chance to meet even more members and have gotten to know them and let me tell you... they are ALL such amazing and sweet people. My goal is to continue to share all the fun we have at the BYC and get more young families to join this upcoming year! – Amber

CHARLES CLIFTON

Sail Fleet

February's meeting program by Kristin Sweeting, Museum Supervisor, Florida Maritime Museum was enjoyed by a full house. Local knowledge and history are always topics

of interest. Our upcoming meeting program will be by Rick Mallard, General Manager and Senior Marine Consultant for Mariners General Insurance Group on "Hurricane Season –

What's your hurricane plan?. Yes, it's never too early to plan for our coming storm season.

We received an update on Ravi Parent, who started his sailing career at BYC and the Pram Fleet, on his progress at the Miami Olympic pre-qualification races in January. Ravi and his crew, two person fast cat racing, came in 9th which at first doesn't sound that great however all boats ahead of him were experienced previous Olympians including some past medal winners. So, actually they did very well, and are assured a place in the ongoing Olympic qualification races for the 2020 Olympic Games in Tokyo, Japan. You can learn more at www.raviparent.com including an opportunity to donate/sponsor, tax deductible, his efforts.

Our next cruise is St. Patrick's Day to Tampa Yacht Club March 16-18. Joe and Casey McClash are captaining the cruise. There is a waiting list, but Joe thinks spots will open up, and more will be able to go.

The Around Egmont race is coming up March 17th so make plans and contact Tom Grubb if you plan to race.

Also for planning ahead, there is an April 20-22 Anchor and Field Club cruise by Linda and Bob Enberg. One night at anchor in Sarasota bay, then on to the Field Club, sounds like a great outing. Racers in April can look forward to Ladies at the Helm Race April 15th.

See you at the next meeting. –
Charles

Navigator's Club

Here it is March and time is going by so fast. I am sorry to begin my March report by giving very sad news. My husband and best friend, Nick, lost his battle with Multiple Systems Atrophy on January 31st. He struggled for eight months in a long term care facility and is now at peace. Our family is having a Celebration of Life on Friday, March 23rd, from 2-4pm at the club. Everyone is invited to celebrate and share your memories.

On Tuesday, January 30th, Jack and Nancy Gorman, Anita and Howie Stein, Carolyn and Dave Spencer, Trish Gillis, Bonnie Richardson, Cecile Stanley, Rick Casson and Cathie and Sid Fleming met for dinner at the Tiramisu Ristorante in Bradenton for a lovely Italian meal.

Wednesday, February 21st, Carolyn and David Spencer were the hosts for our excursion to view the manatees at the Big Bend Power Station in Apollo Beach. Diane and Steve Clausen and guest, Howie and Anita Stein, Trish Gillis and guest and myself attended. After watching the beautiful manatees, we drove to Brandon to have lunch at Stein and Vine restaurant. This restaurant is a hidden gem with great food and a great selection of craft beers. You may notice, we always seem to include food in our adventures. The Navigators never go hungry!

March 14th, we will be attending the ballgame of the Pittsburgh Pirates against the Tampa Bay Rays at LECOM Park. After the game we will head

to Motor Works Brewery in Bradenton.

If any of our excursions spark some interest, please know ALL our trips are open to BYC members.

Our next Navigator meeting is Tuesday, March 27th at 6:30pm. Keeping with our style, "Two for Tuesday" dinner is offered on our meeting days. Please come and join the Navigators as all are welcome!

See you at the meeting or around the club – Diane

Power Fleet

Well mother nature has not been very good to us lately; our trip to St Pete was cancelled due to weather so we decided to go to Ruskin at the last minute and one boat broke, one person had the flu, one had stitches, so we had to cancel. The power fleet has been grounded since November, and although we have been having a lot of fun at the club our trips have been lacking. The good news is all looks good for our trip to Treasure Island, we have 8 boats going and the weather looks great.

The Friday night buffet is spectacular and we will have movie night by the pool on Saturday night.

We had a good meeting in February, Jill and Rudy Sechez spoke about anchoring and was very thorough about anchoring in stormy weather. They have lived on their boat for twenty years and primarily travel the state of Florida and the Caribbean. Dinner was swordfish, chicken, steak or salad and it was fantastic. Everybody just raved about dinner, so thank you Chef Gary and all the BYC staff.

Our next trip is to St Pete Yacht club March 16, 17 and 18th which is always a fan favorite. April we will be cruising to The Field Club and May we have a 2 week cruise planned to go south May 17 thru May 31st, which will be a great time.

I would be remiss if I did not mention that PC James Alderman passed away last month, he was the clubs commodore from 1974 to 1975 and being member number 41 he was here from the beginning. I was fortunate enough to have known him and he will be missed.

Well, I should have some fun and exciting things to write about next month. Until then, be safe on the water and have a bunch of fun at the club. Cheers – Bobby
