Commodore

View from the Bridge

I was impressed by the BYC Easter Brunch. There were 550 reservations –an all-time record for BYC. While we were there from 11:30 to 1:00, everything ran smoothly. Tables were reset within minutes

of early-birds leaving, new groups were seated quickly at beautifully-decorated tables and the lines for the food buffet were mercifully short.

Most of all, the food choices were extensive. We had it all...ham, lamb and beef, smoked salmon, eggs Benedict and even dessert. Each dish was perfectly prepared. Nancy had to have the exceptional (best anywhere) mushroom soup. I was saving room for dessert, so I missed it.

My preaching about and for dressing up seems to have had some impact. Or maybe these were just the classier members. But I only saw one

“inappropriately” dressed member in the whole time I was there. Even saw Brian Smith in a tie and jacket. Wow.

Thanks to George, Gary, Debbie and their staffs for a memorable Easter event.

Nominees -- Congratulations to the newly nominated Officers and Board members. There were no self-nominations, so the nominees are automatically elected. They will be installed at the Change of Watch event on June 23 and take office on July 1 for the fiscal year 2018-19.

Your new Commodore will be Tim Rocklein, plus Vice Commodore Bill Wheeler and our new Rear Commodore Tom Grubb. The other corporate officers will be the returning Cindy Rhategan, Secretary and Carl Bretko, Treasurer. These are all 1-year terms.

New to the Board are Howie Stein (Basin) Bob Murphy (LR Planning) John Izmirlian (Fishing Captain) Fred Ruggiero (Sail Captain). Serving a 1-year term are Pat Baker (Membership) and Dr. David Krull (House). Bobby Smith will serve again (1-year) as Fleet Captain Power

Finishing out the second year of their two-year terms are Janie Finck (Entertainment) and Jordan Chancey (Communications). Oh yeah, I'm going to be Past Commodore – Surprise, surprise.

Many thanks to the Nominating Committee who interviewed many people, read resumes and put many hours into finding good candidates and matching them with available positions. In the meantime, we also straightened out the off-kilter terms and provided a rotation so that terms are properly staggered.

This has been an exceptionally good year so far and by the time you get this, the kitchen project should be well underway. Please continue to support this massive project and the interim food service. We expect everything to be just as good as before. Estimated completion in early September—on time and on budget.

Annual Meeting May 26. Should be short. Updates on Bylaws, financials and kitchen are scheduled. No big issues. Make reservations for Dinner if you are going.

Chicago trip -- The Navigator's Club is planning a 7-day trip in Mid-September to my Toddlin' Town. Ethnic restaurants, great museums, 2 yacht clubs, historic hotels. We expect it to cost about \$3200-\$3500 per couple, including airfare, hotel and meals. Guess who is leading it? There's still room, so contact me at Odyssey5551@gmail.com to get on the list. No \$\$ commitment necessary, now. – Jack

Around Your Club

It appears the cold weather has passed us by. Spring is upon us, and the club is in full swing, with membership levels at its highest in years. The club is bursting with activities as well as regular Dining services. The Entertainment Committee set the tone for a sold-out performance from Breeze, the legends of English and American Classic Rock. An Excellent time was had by all.

Our kid's Easter egg hunt and party set new records. It is great to see all the new families of the BYC get involved with some of our oldest traditions.

As you all know the kitchen remodel is in the works. This does require us to shut down the existing kitchen

and bring in a temporary kitchen for our day to day expectations. The temporary kitchen will be arriving on April 23 which will give us a week to build the platforms and get them up and running for a target date of May 1st. The temporary kitchen is fully equipped to handle our everyday demands. It is our plan to remain in full service during the process of the kitchen remodel. We will also add some special buffets and theme nights to help us get through the construction period.

Keep a lookout on Facebook and in the Poop Deck for all our construction updates and dining services.

See You Around the Club. – George

Entertainment

Hello BYC!! These months just keep on flying by! I know I say this every month, but it seems like I just write one article, and it is time for the next one! Anyway, I hope everyone had a wonderful Easter or Passover and also enjoyed our great evening with Sam & Jack, loving the music they brought to the club. By the time you are reading this issue, we will have also had a fun casual evening out around the pool listening to the Hatley Band, and enjoying our club before the weather gets too hot. Then, on to Mothers Day, which is always a special day at the BYC.

Speaking of special days at the club, on a recent Friday night we were at the club when they were having the Seafood Fest and Taylor & Taylor were in the bar, sitting with some special friends just enjoying a fun evening. As I looked around the room, it was buzzing! The main dining room, burgee and bar were all full, and it was just such a great feeling to see so many people having such a great time, enjoying friends, family and just fun times at our club. Watching everyone having such a good time made me smile, and be so thankful to be a member of the BYC! I hope each of you feel this way, and if you are a new member, I urge you to get involved, come to events, join a committee, and before you know it, you will be smiling too!! See you around the club! – Janie

House Committee

What an exciting year for the Bradenton Yacht Club! We are on our way to a premier kitchen facility to better accommodate the growing membership of the Club. With the invaluable expertise of our Rear Commodore, Bill Wheeler, the planning was accomplished in time for the overwhelming support of the Club members at the special meeting in January. With a signed contract with Manasota Construction Company in place, the outdoor kitchen should arrive in April and construction begin in May. We are grateful to both Bill Wheeler and Bill Kaklis, who reviewed all contracts, for the successful completion of these plans. Other smaller projects over the year were replacing carpeting in the Main and Burgee dining rooms, some painting, and new sconces, blinds and chandeliers in the dining rooms.

Some siding was salvaged from the tear down of the old Pram Fleet building and was installed on the base of the indoor bar. Hurricane Irma also presented some challenges to the Club including roofing issues, damaged fencing and overall cleanup. Recently, the area in front of the Club near the portico was beautifully landscaped by Amerson Nurseries. We are very grateful to all the House Committee members and the BYC Board who were so instrumental in supporting these projects and to George Gordon, our wonderful manager, who is always on top of our needs. The House Committee meets on the first Wednesday of the month and welcomes input from Club members. Hope to hear from you! – David

CHARLES CLIFTON

Sail Fleet

Congratulations to Fred Ruggiero who has been nominated as 2018-19 Sail Fleet Captain. Fred is a long time club member, and sailor, who never misses an opportunity to help other club members and volunteer wherever he may be helpful.

April's meeting program was by Rick Peterson titled "How the Big Ships See Us, And What You Need to Know". Rick and Julie have been speakers at our meetings previously, keeping us updated on their world sailing travels on SV Believe. Rick's talks are always well attended, and this was no exception.

May's speaker is Daniel Noah, Warning Coordination Meteorologist National Weather Service, Ruskin on "Monitoring Marine Hazards, Including the 2018

Hurricane Season". He promises photos and reflections on last year's Irma to set our frame of mind for hurricane season.

Remember Blessing of the Fleet is May 12th. Captains meeting will be Friday May 11th at 6:30pm at the pool bar. Come and enjoy the occasion while we recognize our club Founders.

At this writing Ladies at the Helm Race has been postponed for weather (too much wind-storm) and is planned for the weekend of April 21-22. I will report on it next month. As you may know Around Egmont was held in very light winds and had only two finishers. We have to work on the weather gods for the racers.

See you at the next meeting. – Charles

Rear Commodore Bill Wheeler sent in this picture with comments:

Look who I ran into! I am headed south and spent the night tied to the dock at Vero Beach Yacht Club. We arrived after they had closed. Tom Goldman knocked on the boat this morning. Tom and Jody arrived before the storm and are staying until it clears up. They are headed North on their Great Loop adventure.

DIANE SULLO

Navigators Club

May has arrived and the Navigators are excited about our planned excursions for the rest of the year. Hopefully, these adventures will pique your interest to join the Navigators. We always seem to have lots of laughs and great experiences!

Here are our adventures planned for the rest of the year:

April 12th, we went on a Urban Adventure Quest (scavenger hunt) in St Petersburg, followed by lunch at Fresco's Waterfront Bistro - what fun!!

May 7th, we are heading to the Florida Aquarium in Tampa, hosted by Josh Huntington and Ilene Skeen.

June 18th, we are gathering at Bird Key Yacht Club to celebrate the many anniversaries and birthdays of our members. We also plan to attend the Change of Watch on the 23rd and the Big Bang event on the 24th.

July 20-21st, we will be joining the Florida Council of Yacht Club event at Carlouel YC in Clearwater. All BYC members are invited to attend, and let's not disappoint Tim Rocklein, (FCYC Representative) who is hoping to win the prize for the largest attendance, as Carlouel usually wins.

August, Linda and Lee Conrad will be hosting a surprise adventure.

September 15-21st, Jack and Nancy Gorman are hosting our long awaited trip to Chicago. Jack's itinerary is quite inclusive and exciting! (Limited to 20 people)

October, Tim and Nell Rocklein will host an overnight trip to the Naval Aviation Museum in Pensacola.

November 2,3,4, BYC will be hosting the FCYC and the Navigators will be volunteering at this event. This event allows us to show other yacht clubs the great attributes of BYC. (Last September we were scheduled to host the FCYC event but Hurricane Irma had other ideas)

December 18th, Navigators Christmas party.

January, 2019; Anita and Howie Stein will be hosting a return to our very first Navigator's trip, St Augustine.

We always enjoy lots of laughs, delightful food, and wonderful friendships. Remember, the Navigators meetings are open to all BYC members. Our next meeting is May 22nd at 6:30pm, so make your reservation for "Two for \$22" dinners and join our adventures....

Hope we see you soon or around the Club.... - Diane

Power Fleet

Wow, time is flying by. It's hard to believe it is already May, I guess that is the price you pay for having so much fun. Our last trip was to St. Pete Yacht Club, and as usual they were so accommodating. The weather was perfect and all 11 boats showed up. The Meilners hosted docktails on their boat Friday night, and then we went to Ruth's Chris for dinner and it was outstanding.

Saturday, we all gathered around for our famous pot luck breakfast, and then some of the girls went for a walk around downtown St Pete. We all got back together around 1 o'clock and walked up to The Canopy, a rooftop restaurant, for lunch and the views were great. There was a Reggae festival going on, and people were everywhere, including a couple walking their pigs in a stroller. The festivities continued Saturday night with docktails on Graham Granger and Michelles boat. We didn't have any formal dinner plans, just a nice relaxing evening, so we ordered pizza. After dinner, Tana Mclain brought over this game called Watch YA Mouth. You put this contraption in your mouth and say a sentence and everyone tries to figure out what you are saying. Talk about a bunch of laughs, we played this game until 11 pm. Sunday, some of us went to The Hanger for breakfast and then left for home. Thanks to all who participated it was an awesome weekend.

We had a very good meeting in April. Troy Brown taught us all about fishing, the types of bait, what type of hooks to use, and the type of fish we can catch. Troy did a great job, and everyone enjoyed the evening; thanks Troy. The next power fleet meeting is May 8th and I am sure we will have a great turnout.

The May trip is our two week excursion, we leave the 17th for Venice, then off to Isles Yacht Club, followed by South Seas Island Resort. Next is off to Tarpon Point marina in Cape Coral followed by Naples Sailing and Yacht Club and then to finish at Boca Grande. We have 10 boats signed up and then some others for just parts of the journey, but It will be a great time.

Well, until next month, see you around the club. – Bobby

DAYTIME BRIDGE

The "Tons of Fun Bridge/Lunch Group," which meets on the 2nd and 4th Wednesday of each month, has two events to report. On March 28, high scorer was Mary Yapple, and Mary Malachowski earned the second highest score. On April 11, we had three tables for bridge, and three high scorers: High scorer was Art DaCosta, second was Newell Yapple, and third was Connie Dreyer. Our most recent date of play was April 25, which is too late for publishing. Winners will be named in the June Poop Deck. We are saying Good Bye and safe travel to Anna and Bob Beltz who are leaving us for the season. We look forward to their return. Come join us...you'll be glad you did!
